

Introduction

Introduction. **Welcome!**

We extend a warm welcome and invite your valued input and insights for the ongoing Annual Filing Modernization project initiated by the HSCRC (Health Services Cost Review Commission).

Your responses will contribute to a deeper understanding of the roles and arrangements of services provided by Clinicians **(includes physicians, physician assistants and nurse practitioners)** and will help explore how these roles influence the financial aspects of your respective healthcare institution.

In order to assist you, we have provided a list of responses to Frequently Asked Questions on the HSCRC website.

Your valuable feedback is crucial to this process. Please take the time to respond to this survey by **2/23/2024** to contribute your insights and shape these critical reforms in Maryland's healthcare reporting landscape. **Please submit only ONE survey per hospital, providing information for the most recently completed, hospital fiscal year.**
