Schedule H, Part I, Line 7 - With the all-payer system in Maryland, the mark-up is small and we determined that our excess of revenue over expense is 2 percent. All payers pay charges therefore our cost is 98 percent.

Schedule H, Part I, Line 7g - N/A

Schedule H, Part II - By providing educational programs to inform the community of services available at the Hospital to improve their health.

Schedule H, Part II, Line 10 - By providing education programs to inform the community of services available at the Hospital, we intent to improve health and keep patients healthy at home.

Schedule H, Part III, Section A, Line 4 - A patient is classified as a charity patient by reference to certain established policies of the Hospital. These policies define charity services as those services for which no payment is anticipated. In assessing a patient's ability to pay, the Hospital utilizes the generally recognized poverty income levels in the local community, but also includes certain cases where incurred charges are significant when compared to income. Charity care provided in 2012 and 2011, measured at established rates, was \$2,949,975 and \$2,128,738 respectively. These charges are excluded from consolidated net patient service revenue. The cost of providing this care is included in consolidated operating expenses.

Schedule H, Part III, Section B, Line 8 - Net patient service revenue and net patient accounts receivable are reported at estimated net realizable amounts from patients, third party payers, and others for services rendered. Discounts ranging from 2.25% to 6% of Hospital charges are given to Medicare, Medicaid, and certain approved commercial health insurance providers and health maintenance organizations. In addition, these payers routinely review patient billings and deny payments for certain charges that they deem medically unnecessary or performed without appropriate pre-authorization. Discounts and denials are recorded as reductions of net patient service revenue. Accounts receivable from these third-party payers have been adjusted to reflect the difference between charges and the estimated reimbursable amounts.

Part VI- Supplemental Information (Continued)
